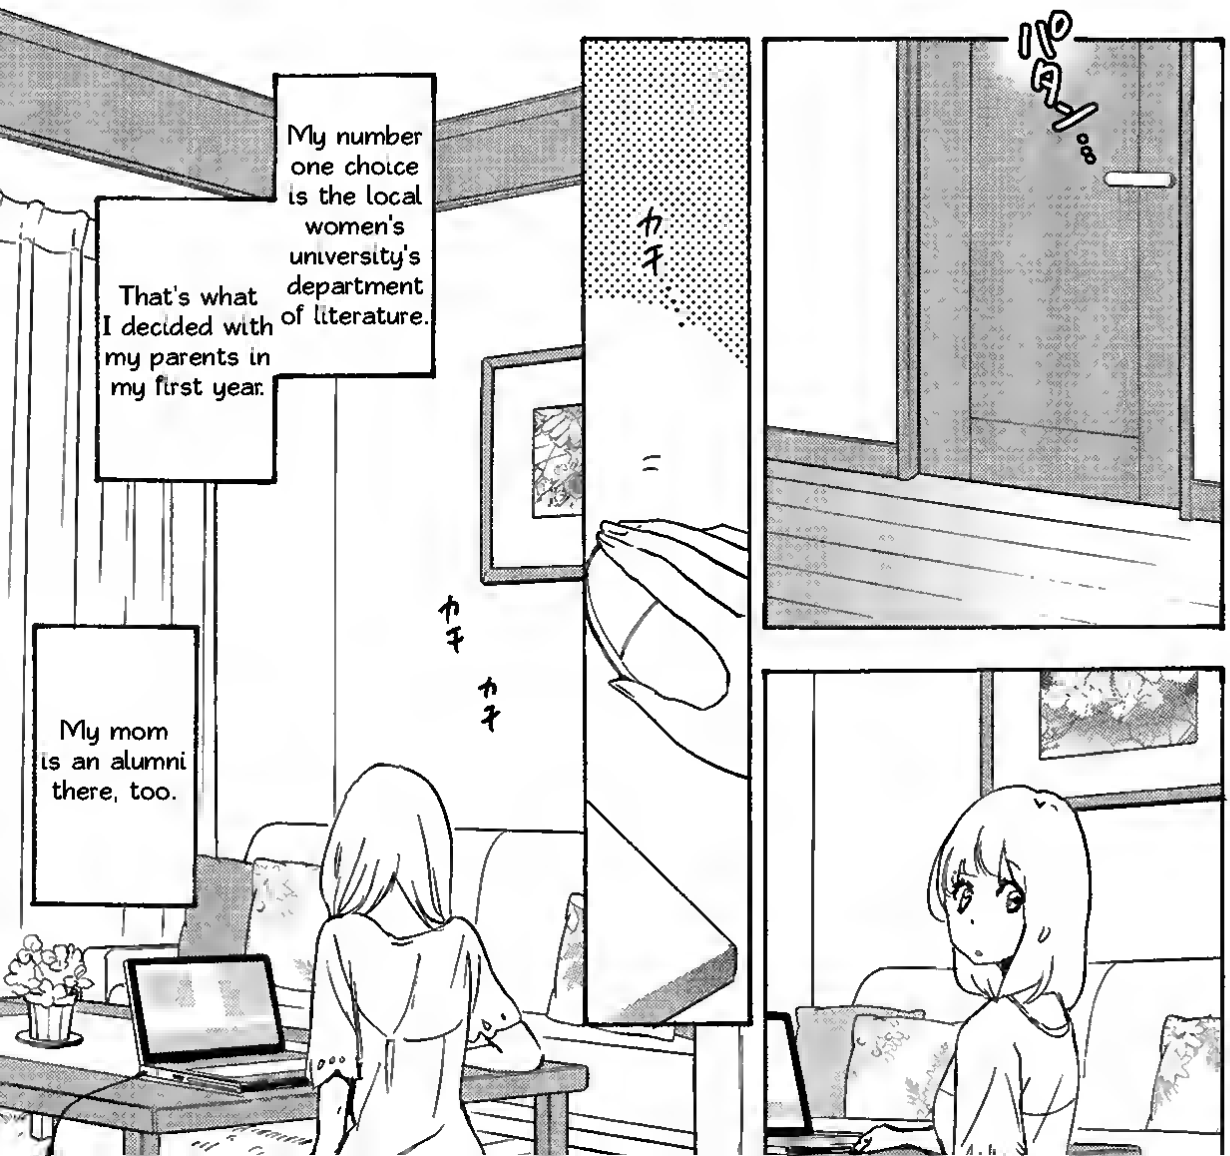
Yui
You should go to bed soon. We have that meeting tomorrow, remember?
Yeah.
I'll be done in a bit.

What's that? College stuff?
Uh-huh.
I did, but...
I thought you had already decided?
I wanted to do a little more research.
What? Isn't it a little late to be doing that?

I thought you wanted to stay here and go to Seigyuku Women's University?
.....
Yeah...



My number one choice is the local women's university's department of literature.
That's what I decided with my parents in my first year.
My mom is an alumni there, too.

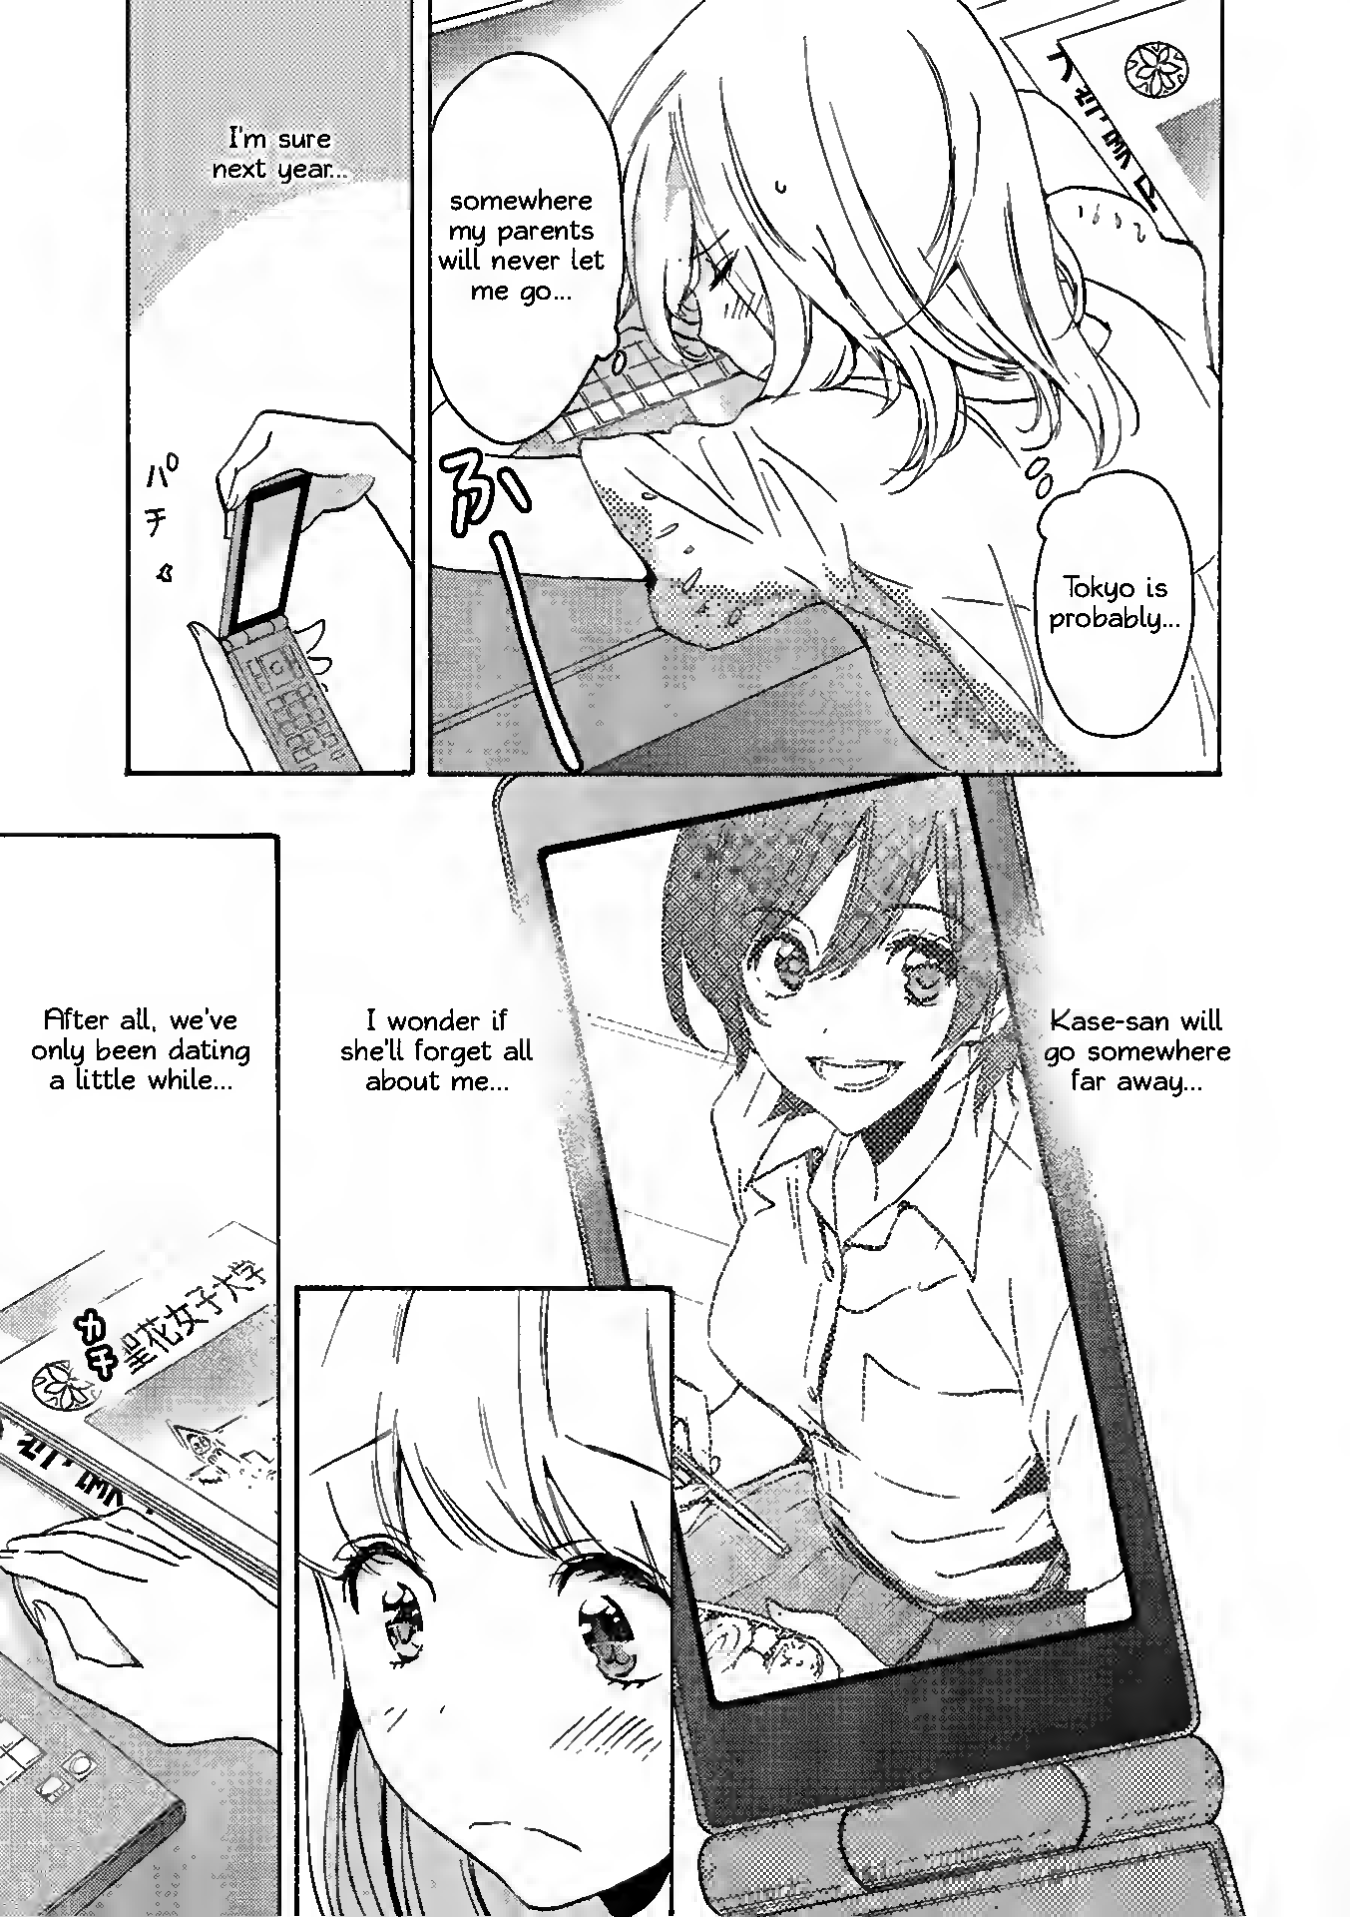
I know this is wrong...
But I can't help looking into it...!
If Kase-san ranks well in next week's inter-high,
she'll get a recommendation for a university in either Tokyo or Osaka.
If it's Tokyo...



I'm sure next year...
somewhere my parents will never let me go...
Tokyo is probably...
Kase-san will go somewhere far away...
I wonder if she'll forget all about me...
After all, we've only been dating a little while...

EH?!
What do two girls do beyond kissing

So two girls can do the same things a boy and girl can do...?!
But you'll need to raise your grades in English a little more, Yamada-san.
You should be able to get into Seigyuku.
Hohoho
Really?
Ahaha
Make sure you try really really hard, Yui!

Kase-san!
Finished your parent-teacher conference?
Wh-
What did you choose...?
College...?
It's somewhere local...
Yeah...

Ah...
I see...
Seigyuku Women's University...
It's pretty close, and it's where my parents want me to go...
So do I...
Yeah...

I mean... I can't just suddenly leave the prefecture...
And it's what we've always talked about...
So...
Yeah...
I guess so...
I think that's good.
There's a lot of green around that area.
I think it really suits you, Yamada.
Seigyuku University!

Next week,
After the competition is over, could you...
I feel like crying...
ぐすっ
Oh...
Ooo
If I do my best,
could you pick me up at the station in the evening?
I'll buy you a souvenir!
And then maybe we could get some tea somewhere?
Would that be okay?

Yeah...
I'll send you a LINE when it's time!
It's a promise then!
So why am I crying...?
I decided this myself...

So you're going to a local college after all, Yamada?
What about you, Mika-wacchi?
Me?
Amazing! That's pretty wise!!
Wherever I'm accepted!
What's wrong?

It hasn't even been six months...

So why am I so sad...?

Don't worry about it.
We've always been like this after all!
Without you, Mika-wacchi, I...
I'm not sure if I'll be able to live on my own next year...
That's right...
I see...
I guess it was like that during middle school, too.
Have you forgotten?
When we became friends in the first year, we hadn't seen each other in three years.
We've been worrying about that kinda thing so many times since elementary school.
It'll be fine!

The day of the inter-high finally arrived.

Yamada!
Hey!
Mika-wacchi!
I knew you'd be at school!
I know, right?
I just feel so calm here.
Haha

They're streaming it live online.
So we can watch Kase-san run!
EHH?
Look what I bought!
Tada!!
We can watch the inter-high competition!
Eh?! Amazing!
Let's watch!
Ah, here it is!

Ooooh
It's perfect!
Amazing!
Ooh, it's up on screen!
Next up for the 400m, Kase.
Where are they?
Saitama.

Pretty far, huh...

No, don't worry about me, Kase-san.
